Building Permit Submittal Requirements

Storage Sheds

- ❖ A permit is required for storage sheds larger than 120 square feet up to a maximum of 200 square feet.
- ❖ A completed four-part building permit application **typed or neatly printed**.
- ❖ Subcontractors must have current occupation license.
- ❖ A drawing of the property may be submitted on paper no smaller than 8 ½ X 11 with the dimensions to scale.
- ❖ The shed may not be located in the front yard setback.
- ❖ The storage shed must be a minimum of 10 feet from the main residence.
- ❖ The storage shed must be at least 5 feet from any property lines.
- ❖ The storage shed cannot be built on any easements on the property.
- ❖ The permit fee is based on the square footage of the storage shed.

The plan review process may take a few days. The plans examiner will notify you when the building permit is ready to pick up or if there are issues delaying permit approval.

Please direct questions regarding storage shed permit applications to the Inspection Department at Belton City Hall, (816) 331-4331.
