

**BELTON STORMWATER  
PUBLIC INFORMATION MEETING**

As part of the Stormwater Bond Projects, the City of Belton will hold a public information meeting about the Apple Valley drainage area project. The meeting will be held from 4:00 p.m. to 7:00 p.m., Wednesday, February 17, 2010, in the City Council Chambers at 520 Main Street in Belton.

This is a public meeting for all interested Belton residents and will be held in an 'Open House' format, so people can discuss the project one-on-one with the designers. Feel free to come and go throughout the evening.

The meeting is part of the final design process for stormwater drainage improvements in that neighborhood. Information gathered at the meeting will be used to aid in refining the improvements to be made.

Questions about the project may be directed to Gary Plumb, Assistant City Engineer, at the City Hall Annex, phone 816-331-4331.
