

BELTON EMERGENCY SERVICES

Steven F. Holle • Fire Chief

FOR IMMEDIATE RELEASE

March 20, 2006

Re: Belton Fire Department Informational Open House

The Belton Fire Department is excited to announce that it will be hosting an informational open house on Saturday, April 1, 2006 from 10:00 AM to 1:00 PM at the fire station located at 223 Main Street.

The activities and information presented will focus on informing the public about issues concerning the fire department and the upcoming ballot measures that will be voted on in the April 4th election. The theme of the open house is “*Protecting Your Future with Pride*” which is the departments motto.

“We want the people of Belton to know that this is their fire department and we want to provide the best service possible to protect them and their families” said Belton Fire Chief Steve Holle. “By hosting events like this, we give the public a chance to find out what the challenges facing the department are now and in the future, and give them a say in how we address those challenges.”

Several informational kiosks, describing each issue on the ballot, will be set up in the fire station and a ladder truck similar to the one proposed to be purchased with the bond funds on display in the parking lot. Free hot dogs and drinks will be served.
