	25	11:00-1:00	Harrisonville (Health Department)

Parent/Guardian must accompany child under 18. Bring shot record or letter from school. These are walk-in clinics. No appointment required. Most childhood immunizations are free. They are provided on a non-discriminatory basis. There will be a charge for adult vaccines to include flu vaccine when it is available. Varicella/chickenpox vaccine is only offered at the Harrisonville clinics. Clinics are closed during bad weather when the local school district is closed. If child is on MO HealthNet, formerly MC+/Medicaid, please bring the card to clinic.
