BUILDING PERMIT APPLICATION

COMMERCIAL

The applicant warrants the truthfulness of the information in this application, and if any information provided is incorrect, the Building Permit may be revoked. Furthermore, if the permit is issued wrongfully, whether based on misinformation on an improper application of the code, the Building Permit may be revoked. The signatory affirms that he/she is the owner of the subject property or is authorized by the property owner to perform the construction activities described in this application on behalf of the property owner.
