

# TABLE OF CONTENTS

## Introduction

- Plan Standards
- Map Standards

## Standard Details

- Erosion Control
- Sanitary
- Storm
- Streets
- Traffic
- Water
- Miscellaneous

## Standard Specifications

- Grading and Site Preparation
- Erosion and Sediment Control
- Paving
- Incidental Construction
- Seeding and Sodding
- Sanitary Sewers
- Storm Sewers
- Structures
- Street Lights
- Traffic Signals
- Water Lines

## Design Criteria

- Site Work and Erosion & Sediment Control
- Streets
- Asphalt Cement Price Index
- Incidental Construction and Local Bicycle Design
- Sanitary Sewers and Appurtenances
- Storm Drainage Systems and Facilities
- Structures
- Street Lighting
- Traffic Signals
- Utility Coordination for Capital Projects
- Water Systems
