**NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF BELTON, MISSOURI, AS FOLLOWS:**

Section 1. That Article IV. – Solid Waste, Recyclable Materials, and Yard Waste, Section 11-153. – Service charge/billing of the Code of Ordinances of City of Belton, Missouri is hereby amended to read as follows:

**Section 11-153. Service charge/billing.**

A service charge shall be imposed for the collection and disposal of solid waste, recyclable materials, and yard waste for residential dwelling units. Said residential services include weekly collection of solid waste, recyclable materials, and yard waste, as well as curbside bulky pick-up (two times per year—dates to be specified). Beginning January 1, **2019**, the cost for residential service is a **flat fee of \$12.77** per month **for any active residential account**.

The service charge for residential solid waste, recyclable materials, and yard waste is billed through the city's water and sewer utility billing process. Residents who do not have a city water and/or sewer account will be billed separately by a "trash bill" on a monthly basis. Rates for services will be set, at a minimum, on an annual basis by the city council.

To schedule an additional curbside bulky pick-up (other than the two times per year), residents shall contact the hauler and the hauler will bill residents directly for this service.

All unpaid service charges shall become delinquent 20 days following the date of the assessment and will incur a ten percent penalty per month on any outstanding balance.

Section 2. Any and all new rates established herein shall be effective with any billing from and after January 1, 2019.

Section 3. That all ordinances or parts of ordinances in conflict with the provisions of this ordinance are hereby repealed.

Section 4. This ordinance shall be in full force and effect from and after its passage and approval.
