

Quick Links for City Business

www.belton.org

Applying or renewing a business license or liquor license? Please visit our website at <https://www.belton.org/Business>. From here you will find links to our business license applications and liquor license applications. Applications are fillable PDFs. They can be downloaded and emailed or printed. Please submit all license applications and required documentation to the Deputy City Clerk via email (dgreener@belton.org) or mail (506 Main St, Belton MO 64012). Payment can be made by cash, check, or online (2.45% processing fee). Questions about licensing? Please contact the Deputy City Clerk at 816-331-4331 or dgreener@belton.org.

Applying for a building permit? <https://www.belton.org/Government/Departments/Building-Department/Permit-Information>. From here you will find links to all our residential and commercial permit applications. Please note, permit fees are primarily based on the value of work and will vary with every project. Also, check out our building permit guidelines to help you determine if you need a building permit for your project. That checklist can be found at <https://www.belton.org/files/assets/public/building-department/building-permit-guidelines.pdf>. For questions regarding building permits, please call 816-331-4331.
