

SECTION 5300 – BICYCLE FACILITY DESIGN

CITY OF BELTON, MISSOURI

DESIGN CRITERIA

The City of Belton hereby adopts the following language regarding local bicycle facility design for use within Belton.

Current and future planned bike routes, bike lanes and bike paths are identified in the Belton Trails Master Plan, April 2009. The plan is available on the City website and incorporates the following American Association of State Highway and Transportation Officials (AASHTO) design standards based on the type of bike route within the City of Belton:

- AASHTO Guide for Development of Bicycle Facilities (1999)
