Form 4: Safety Kit

Kit # _____

The Safety Kit is designed to provide Adopt-A-Stream volunteers with the necessary materials to have a successful and safe clean-up event. It is essential to properly use all the materials provided during the clean-up event.

The Volunteer Group Leader provides safety orientations to all adopting volunteer groups prior to the first clean-up event. Additional safety information is provided in the Adopt-A-Stream Safety Guidelines.

The following items are included in the Safety Kit duffel bag:

- First Aid Kit
- 2 Litter Pik-Stix
- Pairs of Gloves
- Bottles of Hand Sanitizer
- Plastic Litter Bags

Please look through the Safety Kit when you pick it up from Public Works. The kit is designed to provide enough materials for the number of volunteers that sign up for the clean-up event. If any items are missing, notify Public Works immediately. Also, if you have any questions about the proper use of equipment, please ask.

Please remember to return the Safety Kit to _____ within two (2) working days after completing the clean-up event.

Request for Use of City Property

I, _____, have received City of Belton property items and agree to pay for any lost or unreturned items.
