Form 7: Recognition Sign Request

Volunteer Group Information

Group Name (as it should appear on signs): _____

Group Leader: _____ Phone Number: _____

Stream Location: _____

Sign Installation Information

The City of Belton will provide a recognition placard or up to two (2) Adopt-A-Stream signs acknowledging your group's contribution to clean water endeavors, depending on location and visibility. Complete this form and turn it in to Public Works along with Form 6: Clean-up Completion and the Safety Kit after your group's first clean-up event. It will take approximately two months from the time of request for the signs to be installed. The Group Name above will be used in the sign production, so please check for errors prior to Recognition Sign Request submittal.

Depending on location and visibility, one sign will be placed as close as possible to each end of the adopted section. Final sign location must be approved by the Public Works Department prior to installation. Please note that the signs are standard in size and color. Adjustments or additions including group or company logos cannot be made to the design.
