QUESTION 4: PUBLIC SAFETY SALES TAX

NOVEMBER 6 GENERAL ELECTION

Working to Improve Public Safety

On November 6, Belton voters will be asked to consider establishing a sales tax to improve funding for Police and Fire/EMS staffing levels, safety equipment for first responders and public safety vehicles & capital equipment.

As the City of Belton worked to make it through the recession that hit the nation in 2008, the Belton City Council and staff made strategic financial decisions including maintaining, and in some years rolling back, property taxes; freezing staff salaries city-wide; reducing spending across all departments; freezing hiring for some vacant positions and more. In the last several years, as the economy has recovered, the City Council's continued strategic budgeting has allowed for fleet and equipment upgrades for both the Belton Fire and Police departments.

Recognizing that Belton residents expect dependable, quality and effective public safety services, the Belton City Council voted to place a ½-cent sales tax to be used solely for Public Safety on the November 6, 2018 ballot.

If approved, how will the City use the revenues from the Public Safety Sales Tax?

Staffing and safety improvements in 2019.

- Funding to rehire the 6 police officer positions frozen in the current year budget.
- Funding to rehire the 6 firefighter/EMS positions frozen in the current year budget.
- Funding to add 4 new, additional police officer positions.
- Funding for new safety equipment for first responders.
- Funding for public safety vehicles and capital equipment.

More information about the Public Safety Sales Tax is available online at www.belton.org/November6.

The Belton Fire Department has 11 total minimum daily staffing. National standards call for 17-18 personnel to respond to a single family house fire – including EMS response.

Belton Police has a minimum of five officers on patrol per shift.

PUBLIC SAFETY SALES TAX

If approved, when will retailers begin collecting this sales tax?

April 1, 2019.

How can we know the funds will be used as promised?

An oversight committee comprised of citizens, Fire and Police representatives, a City Council liaison, and City staff has been established by the City Council to review the annual Public Safety Sales Tax expenditures to ensure they adhere to voter intent.

Who will pay this sales tax?

Everyone who shops in Belton, both residents and non-residents, who rely on public safety while in Belton.

How much revenue will be generated by this sales tax?

If approved, it is estimated that the Public Safety Sales Tax will generate \$1.6 million each year.

How will this affect the City's sales tax rate?

The City's current base sales tax rate is 2.75%. If this ½-cent sales tax is approved by voters on November 6 our base tax rate will be 3.25%.

The total basic sales tax rate for purchases within the City is 8.975%, which includes 4.225% for the state of Missouri and 2.0% for Cass County. If this ½-cent sales tax is approved the total sales tax rate will be 9.475%.

What does a ½-cent sales tax mean to you?

- It would add **3 cents** to the cost of a **\$6 fast food meal**.
- It would add **15 cents** to the cost of a **\$30 pair of pants**.
- It would add **\$2** to the cost of a **\$400 dishwasher**.

This sales tax will not apply to utilities, gasoline or prescription drug purchases.

What will happen if voters don't approve this ½-cent sales tax?

City of Belton Police and Fire Department staff will continue to provide the best services possible with the resources available.

BALLOT LANGUAGE:

Question No. 4

Shall the City of Belton, Missouri increase its citywide general sales tax rate by one-half of one percent (0.5%) solely for the purpose of providing additional funds for public safety for the City, including but not limited to, expenditures for equipment, salaries and benefits of city employees providing public safety services, and facilities for police, fire, emergency management and emergency medical providers?
