

## Scheduling and viewing inspections in eTRAKiT

The following process outlines the steps to schedule inspections in eTRAKiT and view inspection results. Inspections can only be scheduled for approved permits, projects, and licenses that are in your Dashboard. See page 3 to link already approved permits, projects, or licenses to your account.

1. Log into your **eTRAKiT** ( <https://belt.csqrccloud.com/community-ettrakit/> ) (see “registering in eTRAKiT” if you do not have an account):
  - Click “**Schedule**” under “Inspections.”

2. On your Dashboard, under “My Active Permits,” you can see the statuses of all permits that are linked to your account. For permits that are in an “Issued” status, available inspection types are listed under “My Active Inspections.” Click “**Schedule**” in the last column to schedule a specific inspection type for the permit.

**My Active Inspections** 18 total record(s).

REC NO	REC TYPE	REC STATUS	ADDRESS	INSPECTION	DATE

RES24-00002	PERMIT	ISSUED	16016 KENT...	DEC...	Schedule
RES24-00002	PERMIT	ISSUED	16016 KENT...	ELECTRICAL SERVICE	Schedule
RES24-00002	PERMIT	ISSUED	16016 KENT...	FOOTING	Schedule

An orange arrow points from the 'Schedule' link in the second step of the instructions to the 'Schedule' link in the last column of the table.

- 3. Complete required information in the inspection request, including the “inspection type” and “requested date.” The “Notes” field can be used to add any comments for the inspector – such as requesting a more specific time (e.g. “ready after 10 AM”) or access information (e.g. “lock box number 1234”). Click “Add Inspection.”

**How to link a permit, project, or license to your account if you did not submit or were not listed as a previous contact on the permit, project, or license record: Follow the steps below to link a record to your account, which will allow you to schedule inspections for the linked record(s).**

1. Go to your Dashboard and click **“Link to Permits, Projects, and Licenses.”**
2. Select from the dropdown menu if you are linking a permit, project, or license. The exact permit, project, or license number will need to be entered. Click “link.” The permit, project, or license will appear in your Dashboard. Follow steps #2-6 on pages 1-2 of this document for requesting inspections.
