

PLANNING APPLICATION CHECKLISTS

This document includes all checklists for submission of a Planning Application to the City of Belton. Depending on the development processes (application types) required, **more than one (1) checklist may need to be utilized** for a complete submission of a Planning Application. The checklists cover the most common requirements for each application type. However, as each development is unique, additional information may be required as requested by City staff prior to submittal or during the review process.
